either side then.

This Press Release is the fifth of a series of releases to reposition UBERMORGEN beyond action. Beyond action lies truth, and truth is (pure and simple) repeatable, verifiable patterns. We call those truths 'laws' or 'rules'. Simultaneously such patterns can appear as ephemeral, aesthetic and delusional: Binary Primitivism, searching for clans of insecurity, Alt-Right groups and simplified representation, filling the void by creating a bubble to draw off between on and off, between zero and one and Osterschinken.
